34 ITB 8/71 The report accompanying the estimate explaining the necessity is also enclosed herewith. Further in this connection, I write to state that an amount of Rs.45,282/- has been already spent for improving a portion of this valley as per estimate sanctioned in G.O.No.L.10572-5/I.T.B.14-50-72 dated 16-1-1951, with size stone masonry side walls, burnt stone bed slabs and sylk pattern drain etc. The present estimate is for improvements to the remaining portion of the valley that runs through Chamundi Extension where houses have come up on either side of the valley.
